

Flotech

a division of Spartan Controls

British Columbia

- Pressure Reducing/Relief Valves
- Surge Control, Pump Control, Rate of Flow, Level Control
- Cavitation Prevention
- Vacuum Breaking/Air Release
- Fire Suppression Deluge

Golden Harvest, Inc
Golden Gates™

- Stainless Steel and Aluminum Water Control Gates
- Sluice, Tapered Wedge, Slide, Weir, Level Control Gates
- Radial, Flap, Telescopic, Mud, Diversion, Butterfly Gates

ITT

- Fabri-Valve Knife Gate Valves
- Resilient and Metal Seat, Push Through and Perimeter Seated, Oport
- Dia-Flo Weir and Straightway Diaphragm Valves

KEYSTONE

- Resilient and High Performance
- Butterfly Valves

POSI-SEAL

- High Performance Resilient and Metal Seal Butterfly Valve

PRATT

Henry Pratt Company

- AWWA Butterfly Valves
- Swing-flex, Dual Disc, Weight/Lever, Cushioned, Silent, Globe, Tilted Disc Check Valves
- Ballcentric & Eccentric Plug Valves
- Resilient and Metal Seated Ball Valves
- Sleeve, Cone Energy Dissipating Valves

- High-Performance PFA and PTFE/TFM Lined Valves
- Ball, Butterfly, Check, Sightglass
- PFA Lined, Magnetic Drive Pumps
- Section VIII Lined Safety Relief Valves

- High performance pinch valves
- Non-Stretch elastomer tube technology
- Smart Valve Wear Sensor Technology

VCI

- CSA/CGA & FM Approved Safety Shut-Off Valves
- Manual & Automated Ball Valves for Gas Isolation

VELAN

- Resilient & Metal Seat Ball Valves
- Triple Offset Metal Seat Butterfly Valve
- Severe Service Ball Valves, High Pressure, Temp and Slurry

- Air Vacuum / Release and combination valves
- Anti Surge, Anti Slam
